

PRESENTATION - EVALUATION GRID

Nom/Numéro du groupe :				
Criteria	Very Good	Proficient	Satisfactory	Needs Improvement
FLUENCY and PRONUNCIATION	Can keep a fairly even tempo and a fluid speech Shows good and clear pronunciation	Can keep a fairly even tempo during rehearsed speech, but hesitation is apparent during free speech Minor mistakes in pronunciation but the speech is understandable by an international audience	Hesitation, pausing, false starts and reformulation are very frequent. Shows difficulty in pronunciation, which makes the content difficult to understand.	Long pauses to search for expressions. Difficulties in pronunciation makes the content impossible to understand
LANGUAGE ACCURACY	Uses reasonably accurately a repertoire of structures Demonstrates good control of grammatical structures Is able to self-correct	Uses reasonably accurately a repertoire of frequently used 'routines' and patterns associated with more predictable situations Makes a few mistakes that do not cause misunderstanding Does not self-correct	Uses simple structures, but still makes some basic mistakes Repertoire of vocabulary is limited Uses words in French	Shows only a limited control of a few simple grammatical structures Grammatical mistakes and limited repertoire of vocabulary make the presentation impossible to understand by an international audience
CONTENT and VISUAL AIDS	The presentation is well-structured and engaging, with a clear introduction, body, and conclusion, and effective use of visual aids that enhance the understanding of the content.	The presentation is adequately structured and engaging, with a basic introduction, body, and conclusion, and some use of visual aids that support the understanding of the content.	The presentation is poorly structured, with a weak or unclear introduction, body, and conclusion, and minimal use of visual aids that do not effectively support the understanding of the content.	The presentation lacks structure and is difficult to follow, with a confusing or absent introduction, body, and conclusion, and no use of visual aids to support the understanding of the content.
DELIVERY and PROFESSIONAL COMMUNICATION	Speaks confidently and maintains eye contact with the audience. Effectively uses verbal and nonverbal communication to convey the message. The presentation demonstrates professional communication skills.	Speaks with some confidence and maintains occasional eye contact with the audience. Mostly uses verbal and nonverbal communication to convey the message. The presentation demonstrates some professional communication skills.	Speaks hesitantly and does not maintain eye contact with the audience. The pace and tone of the presentation may be inappropriate. The presentation demonstrates limited professional communication skills.	Speaks with little confidence and does not maintain eye contact with the audience. The pace and tone of the presentation are inappropriate, and the presenter uses inconsistent verbal and nonverbal communication to convey the message.
